POWER TO THE PUBLISHER

To better serve publishers MosaicBooks.com (the first site created to showcase Black literature), AALBC.com (the most popular site dedicated to African-American literature), and Cushcity.com (the largest African-American Internet retailer) have formed a "Power Network."

Your book-cover ad can be served in a premium position across the top sites for African-American literature. Our network can substantially increasing the reach and impact of your marketing campaign.
